

BANYANCOMMERCE

Banyan Commerce Corporation Launched - 15th February, 2007

Toronto, ON, February 15, 2007 - Tangentia Inc and Integral Group Inc sign an agreement to launch Banyan Commerce providing innovative EDI and eCommerce solutions under the Banyan Commerce brand.

About Banyan Commerce

Banyan Commerce is a company formed by Tangentia Consulting and Integral Group to promote innovative B2B solutions to the Global Trading Community. Banyan Commerce is a one-stop shop for EDI, eCommerce, Bar-Coding and RFID solutions for companies ranging from small manufacturers to global fortune 500 corporations. Banyan Commerce can provide a wide spectrum of services-From web based ASP solutions to completely outsourced EDI solutions with a global delivery model. The Banyan Commerce corporate website is www.banyancommerce.com

About Integral Group/Integral Consulting

One of the oldest continuing private company in the EDI world. Since 1986 Integral has been dedicated in assisting companies to become EDI proficient with hundreds of installations of their premier Commerce Desktop Solution throughout the U.S., Canada and Mexico. In the ever-changing e-commerce industry, Integral stands above the fray by their marked professional service and personal touch. With Integral in place, businesses are able to manage their business instead of their data.

The Integral corporate websites are www.integralgroup.ca and www.commercedesktop.com

About Tangentia Inc/Tangentia Consulting

Tangentia provides companies with 3 major services - Consulting, Technology and Outsourcing. Tangentia has a specific focus of Supply Chain Compliance and has been one of the largest implementers of Compliance Solutions like EDI, AS2, RFID, ASN, and GTIN in Canada. These solutions were implemented for vendors to the large retailers like Wal-Mart, Target, HBC, Sears and also automobile and manufacturing supply chains. Tangentia has a global delivery model with offices in India as well as in North America. Tangentia's partners include EDS, IBM and Cleo Communications. The Tangentia Corporate website is www.tangentia.com
