

2 reasons to retire your printer:

1. You can't solve today's challenges with yesterday's technology.
2. We'll pay you up to \$500 to do it.

It's time to

Trade Up!

Zebra is proud of its reputation for cutting edge technology. So when we make improvements, we want you to reap the rewards!

With our new and improved GO Zebra10 Trade-in Program, get up to \$500 cash back on a new Zebra® Printer. Just trade in an eligible, older model Zebra or competitive printer and purchase one of our select new Zebra printers before December 31, 2010.

As experts in the industry, we understand that a printer as rugged and reliable as Zebra's can make all the difference. And now with the new and improved GO Zebra10 Trade-in Program, we're giving you an even bigger opportunity to get your hands on one. Until December 31, 2010, you'll get up to \$500 cash back with the purchase of select Zebra printers when you trade in a qualifying older-model Zebra or competitor's printer.

Here's your ideal opportunity to cash in on the benefits of new advances in card printing, bar code printing, RFID Ready, and RFID printing/encoding technology. It's payback time, so call us today for more information about the GO Zebra10 Trade-in Program.
